- Pretty Peacock: 3" x 3", 2-1/8" x 2-1/8"
- Basic White: 4" x 4", 3" x 3", 2-1/8" x 2-1/8"
- Gray Granite: 1 ½" x 1 ½"
- Designer Paper: 4" x 4"

Instructions:

1. Score Pretty Peacock card base on the long side at 4 ¼" and fold.
2. Adhere the 4" x 4" Basic White CS onto the inside of the card base.
3. Adhere the DSP layer onto the front of the card base.
4. Die cut two squares using the Stylish Shapes dies and the Basic White cardstock. I used the largest square and the second smallest square.
5. Stamp the otters on the larger white square using Memento Black ink and the sentiment on the smaller square using Pretty Peacock ink.
6. Color the otters using your Stampin' Blends then attach to the layering Pretty Peacock square.
7. Attach your sentiment to the layering Pretty Peacock square.
8. Close the card and line up the 3" x 3" otter layer at the top, centering it side to side, and extending past the top 1 ¼" (to make it 5 ½" overall). You can do this on top of an envelope to make sure it will fit.
9. Adhere it using Stampin' Dimensionals being sure to only put adhesive on the bottom part of the layer that is touching the card.

10. Wrap a piece of ribbon around the bottom half of the card and securing it to the front using Stampin' SEAL so that the seam will be hidden under the sentiment. Then, add the sentiment layer to the card front over the seam of the ribbon using Stampin' Dimensionals.
11. Tie a bow using more ribbon and attach it to the side of the sentiment as shown with Mini Glue Dots.
12. Die cut two rocks, any size, using Gray Granite cardstock and the Otterly Amazing Dies. Attach the rocks to the otter image popping the one in front up using Stampin' Dimensionals.
13. Lastly, add three Riverside Irregular Pearls to your card front.
